

Update on:

Lintern, Gavan (2010). A Comparison of the Decision Ladder and the Recognition-Primed Decision Model. *Journal of Cognitive Engineering and Decision Making*, Volume 4, Number 4, Winter 2010, pp. 304–327.

Subsequent to the publication of this paper, I became dissatisfied with some of the terminology I had used for the cognitive states and processes. This figure below shows my latest revision of the Decision Ladder.
